3	Guitar	an oil-based pen	Black	Write your test number behind the mannequin
		Tape		For fixing disposable sanitary bags

Design Scope

Mannequin design scope for on-site attendance at the competition

front design	Side Design
	
	

Submission type latex design scope

front design	Side Design
	
Latex size can be around 1cm according to regulations	a round arch design

Example of tool setting

Treatment Tool Example	Example of setting up a treatment tool
	

a matter of importance

- **Start under the direction of the exam supervisor. Do not start instructions.**
- After the game is over, you have to be considerate of your surroundings and quietly clean up before you leave.
- Please put the mannequins on the table as they are.
- Please take your own trash. ※Caution: Lost and found items are subject to deduction.
- Please fix the hygiene of the mannequin (pigment dirt outside the design range), etc. cleanly before completion.
- Observe design specifications (less than 3cm) and deduct points.
- It is prohibited to write the candidate's name on the surface of the mannequin.

Practical evaluation items

distinction	Ready / Attitude	Hygiene	Design / Technology	Job Evaluation/Completeness	post-treatment
matching point	10 points	20	50 points	10 points	10 points

[Criteria for judging]

- More than 80 points: xx awards
- 79-60 Points: xx Awards
- 59 points or less: xx award
