

## Tip with wrap

a high school / university department

Game time: 40 minutes

### ◆ Requirements ◆

1. Prepare freely based on the qualification criteria for hairdressers (nails).
2. Perform a natural tip with wrap on the middle finger of the model (3 finger) and 2 finger fingers (4 finger) nails. (Voluntary selection of hands)
3. The natural nails of the model shall be shaped in a round or oval shape of not more than 1 mm.
3. Attach a natural tip with a well, and shape the attached tip into a square shape of less than 0.5mm to 1cm in length
4. The pre-edge C curve is formed at a ratio of 20-40% of the circular shape, and the thickness is 0.5mm to 1mm or less.
5. The side-side straight line keeps the straight line from the natural nails to the pre-edge so that the connection line does not go up or down as much.

### ◆ Review Points ◆

- Hygiene and preparedness
- Procedural order and proficiency
- Length / Shape / C-Curve Thickness
- High point
- Side Straight
- Surface condition
- the degree of completion
