

Wet Manicure (Full Coat)

a high school / university department

Game time: 30 minutes

◆ Requirements ◆

1. Prepare freely based on the qualification criteria for hairdressers (nails).
2. The pre-prepared state of the model is applied in full color and the nails should be kept in square shape.
3. Wet manicure is applied to the five nails (1 to 5 paper) of the model's right hand.
4. The shape of the nail pre-edge is shaped into a round.
5. When applying color, apply all the way to the front line of the pre-edge cross section.
6. Procedures are carried out once base coat / twice red policy / once top coat in the order of application.
7. Do not use cuticle oil at the finish.

◆ Review Points ◆

- Hygiene and preparedness
- proficiency in tool use
- Shake
- Remove cuticles
- Coloring
- Completion and Finishing
