

## acrylic wrench sculpture

a high school / college / general school

Game time: 40 minutes

### ◆ Requirements ◆

1. It is in accordance with the national technical qualification standards for hairdressers (nails).
2. Acrylic French sculpture is performed on the two nails of the middle finger (3rd finger) and ring finger (4th finger) of the model. (Voluntary selection of hands)
3. The natural nails of the model shall be shaped in a round or oval shape of not more than 1 mm.
4. Cut the completed length to less than 0.5mm to 1cm and shape it into a straight square shape
5. The pre-edge C-curve shall be formed at a ratio of 20% to 40% of the circular shape, and the thickness shall be less than 0.5mm to 1mm
6. The side-side straight line keeps the straight line from the natural nails to the pre-edge so that the connection line does not go up or down as much.

### ◆ Review Points ◆

- Hygiene and preparedness
- Procedural order and proficiency
- Length/Shape/C-Curve/Thickness
- The shape and sharpness of the smile line
- High point
- Side Straight
- Surface condition
- the degree of completion
